

****You need to complete any 4 of these tasks to achieve the Science Badge!
All evidence needs to be submitted to your class teacher.****

Task	
Find out about an unsung hero from Science history.	
Listen to an episode of 'But Why?' podcast. List three things you learned from listening to it!	
Try the Marvin and Milo experiment attached. Take a picture of your experiment and upload it! <u>01 - Marvin and Milo - Straw Water Gun 2019.pdf</u>	
Watch the Ted-Ed talk 'The Science of Skin Colour'. What have you learned that you did not know before? Write 40-50 words. <u>https://www.youtube.com/watch?v=_r4c2NT4naQ</u>	
Do the 'Sewing an ice cube' experiment. Take a picture and then research how you managed to attached the string to the ice cube! <u>05 - Marvin and Milo - Sew an Ice Cube 2019_0.pdf</u>
