

“CHIPPING CAMPDEN SCHOOL CELEBRATES ITS BEST GCSE RESULTS IN SEVEN YEARS”

THURSDAY 20th AUGUST 2026

Students at Chipping Campden School are celebrating a phenomenal set of GCSE results, with outstanding achievements across a wide range of subjects. Over a quarter (27%) of all grades were 9-7s, and more than 4 in 5 grades were a grade 4 or higher.

The results are a testament to students' hard work, determination and resilience, as well as the dedication and expertise of staff who have supported them throughout their secondary education, alongside the support of their parents and wider families. The whole school community is immensely proud of what this year's cohort has achieved and of the many individual stories of success behind these results.

Our Principal, Gareth Burton, said: *“We are absolutely thrilled to celebrate the extraordinary achievements of our students. They have shown tremendous commitment and perseverance, and these results are a wonderful reflection of their hard work. We are incredibly proud of every student and grateful to our staff, families and wider school community for the support they have provided.”*

“These exceptional outcomes provide an excellent platform for the next stage of our students’ lives. Many of our Year 11 students will be continuing their education at our outstanding Sixth Form (Ofsted, May 2025), where they will have the opportunity to build on their achievements, pursue subjects they are passionate about and prepare for university, apprenticeships and the world of work.”

For students who have applied to our sixth form, details of the enrolment process can be found on our dedicated Sixth Form website [HERE](#).

On behalf of everyone at Chipping Campden School, we extend our warmest congratulations to all Year 11 students and wish them every success as they take their next steps
